do la Presidencia de la República, trató de conseguir, a solicitud de CENDRO 4, la comunicación con Secretario Particular del Presidente de la República.

de la Presidencia de la Republica, se comunico a CENDRO 4 para atender la solicitud de información sobre los documentos encontrados.

NO ERA SERVIDOR PUBLICO DE LA PRESIDENCIA DE LA REPUBLICA, por las siguientes razones:

DISCREPANCIAS ENTRE EL OFICIO QUE PORTABA
Y LOS QUE SE ELABORAN EN LA PRESIDENCIA DE LA

4.

Bl oficio encontrado dice "MEXICO, D.F. A 10. DE SEPTIEMBRE DE 1993". Los documentos que se elaboran en la Presidencia de la Kepública dicen, ejemplo: "Los Pinos, 1 de Septiembre de 1993" o "Palacio Nacional, 1 de Septiembre de 1993", dependiendo del lugar donde se emiten.

0901-A/93, clasificación que no se utiliza en la Presidencia de la República.

3. En el papel se les "A quie corresponda". Dos precisiones al respecto. Hay un error ortográfico, ya que falta la letra "n" a quien. Además, cuando hay una comisión, no se utiliza el "A quien corresponda", en principio porque el oficio va dirigido expresamente a una persona determinada y porque se maneja sólo de manera interna en la Presidencia de la República y finalmente porque se emite una credencial al interesado señalando el cargo que va a desempeñar.

con la tarea de COORDINADOR REGIONAL DE INVESTIGACIONES ESPECIALES de esta dependencia en la zona Norte de nuestro País: (Durango, Sinaloa, Sonora, B. Cal. Nte., D. 014285 Cal. sur, Tamaulipas, Chihuahua y Nuevo León) especificamente en el Estado de Sinaloa".

- a) En el párrafo se hace referencia al nombre de la oficina como "oficina de coordinación de la Presidencia de la República". En este sentido caba señalar que la Oficina de Coordinación de la Presidencia de la República fue creada en 1988 y desapareció en el año de 1990 para dar paso a la Oficina de la Presidencia de la República.
- b) En el mismo texto se dice "COORDINADOR REGIONAL DE INVESTIGACIONES ESPECIALES". Al respecto el Lic. manifestó que en la Oficina de la Presidencia de la República no existen Delegaciones ul Representaciones en la entidades federativas del país y mucho menos investigadores.
- c) Finalmente cuando hace referencia a la zona norte dice "zona Norte de nuestro País: (Durango, Binaloa, Sonora, B. Cal. Nte., B. Cal. sur, Tamaulipas, Chihuahua y Nuevo León) especificamente en el Estado de Sinaloa".

Las abreviaturas de B. Cal. Nte. y B. Cal. sur, son incorrectas, siendo que debon ser B.C. y B.C.S., respectivamente.

Finalmente se observan errores en la abreviatura del cargo del responsable de la oficina, en la firma de este y en el nombre del mismo. Cabe señalar que el Lic. hizo hincapié en que la firma del "Lic. está faisificada, ya que ni siquiera alcanza a par erse en aigo a la auténtica, aunado al necho que el cuando firma lo hace con el nombre de per el oficio de comisión citado. en el oficio de comisión citado.

PGR, Lcontra el Sheriff de Los Ángeles?

Despotrico el representante de la PGR en Los Angales Miguel Ponce contra del investigador Pred Cestro, del Sheriff de Los Angeles, durante una reunión de procuradores de la franja fronteriza que se lievó a cabo en Nuevo Chraymas, Sonora.

La historia se repite, y si igual que en los casos del secuento de Alvarez Macháin, en la detención de Ruben Zuno, en la muerte de Enrique Camarona Salazar, altá por el año de 1985, las autoridades nortenmericanas de nueva cuenta han comensado a tener friccionas соп тістогов de опринсіонен розісівськ техісапня.

Duranio la referida reunión, todos los saistentes corroboraron que de nueva cuanta hay diferencias entre los de aqui y los de alis.

El elásico "estira y afloja" es por la información surgida a raiz de la miterte de Manuel González Salvador o Manuel Salvador González. y de su syudante Marco Antonio Trejo Mercado.

Como es usual en estos casos, lo sabemos por experiencia, lo más senvillo es negar todo, de manera eistemática, de ahí que las autoridades prexicanas no hayan argumentado en el caso de la muerte de catos dos individuos, más que el "no, no y no".

Sucede que Miguel Ponce el dia trece de mayo declará a periodistas de La Opinión de la ciudad de Los Anguies, que las credenciales halladas en poder de Manuel Salvador eran faisas, que nunca ha-

bian sido expedidas por el gobismo mexicano y que además el coche en que viajeban los dos hombres cuando courdo el atentado que les costó la vida, era investigado por las autoridades de Long. Beach, por estar relacionado con el narcotráfico.

Posteriormente, cuando al personal del Sheriff llevó a cabo las investigaciones en tomo a los sucesos de referencia, recabó avidenclas de que las oredenciales y los documentos en cuestión, ech auténtions y de tel modo lo hizo saber a los medios de difusión.

El destiz que tuvo de esa forma el investigador del Sheriff angelino, sio fue perdonado por Miguel Ponce, quien se motesto tanto que durante la reunión de procuradores de la zona tronteriza de México, advirtió que el estadounidense Fred Castro no sorá bien ventdo a nueviro país y que dobe cuidarse de venir soé.

La verdad es que el a Fred Castro se le ocurriera viajar a nuestro.

pais, mis le convendrée a le POR seignar especialmente a su vigi-

isneis personal e sus agentes más experimentados. Todo eso, essi como al se tratara de un jefe de estado, purque si ilegara a sucederia algo melo, seguramente sobrevendria un conflicto internacional que iba a atraer conue nuestre pala problemas mayores que los que ya hemos resentido con anierioridad.

En roulidad todo caso aurge a raiz de la posibilidad de que los dos laticoldos hubieran tenido relación con Luis Donaldo Colosio, ya que se afirms que eran investigadores esignados para su servicio por la secretaria de la Prosidencia de la República.

Portria sor por eso que sistemáticamente en nego todo en principio.

Niega Montes nexo entre crimen de Colosio y balacera en Los Angeles

MEXICO, D.F., mayo 12 (Sun).- La subprocuraduría especial aclaró que no existe relación entre el asesinato de Luis Donaldo Colosio y la balacera ocurrida en febrero en una población cercana a Los Angeles, donde fallecieron dos personas, una de las cuales traía credenciales apócri-fas de la Cámara de Diputados y de la Presidencia de Mé-

La instancia dio a conocer que Manuel Salvador Gonzalez, uno de los dos fallecidos en esa balacera, no aparece en las fistas del personal de seguridad del ex can-didato del Partido Revolucionario Institucional asesinado en Tijuana, ni en las de otras corporaciones.

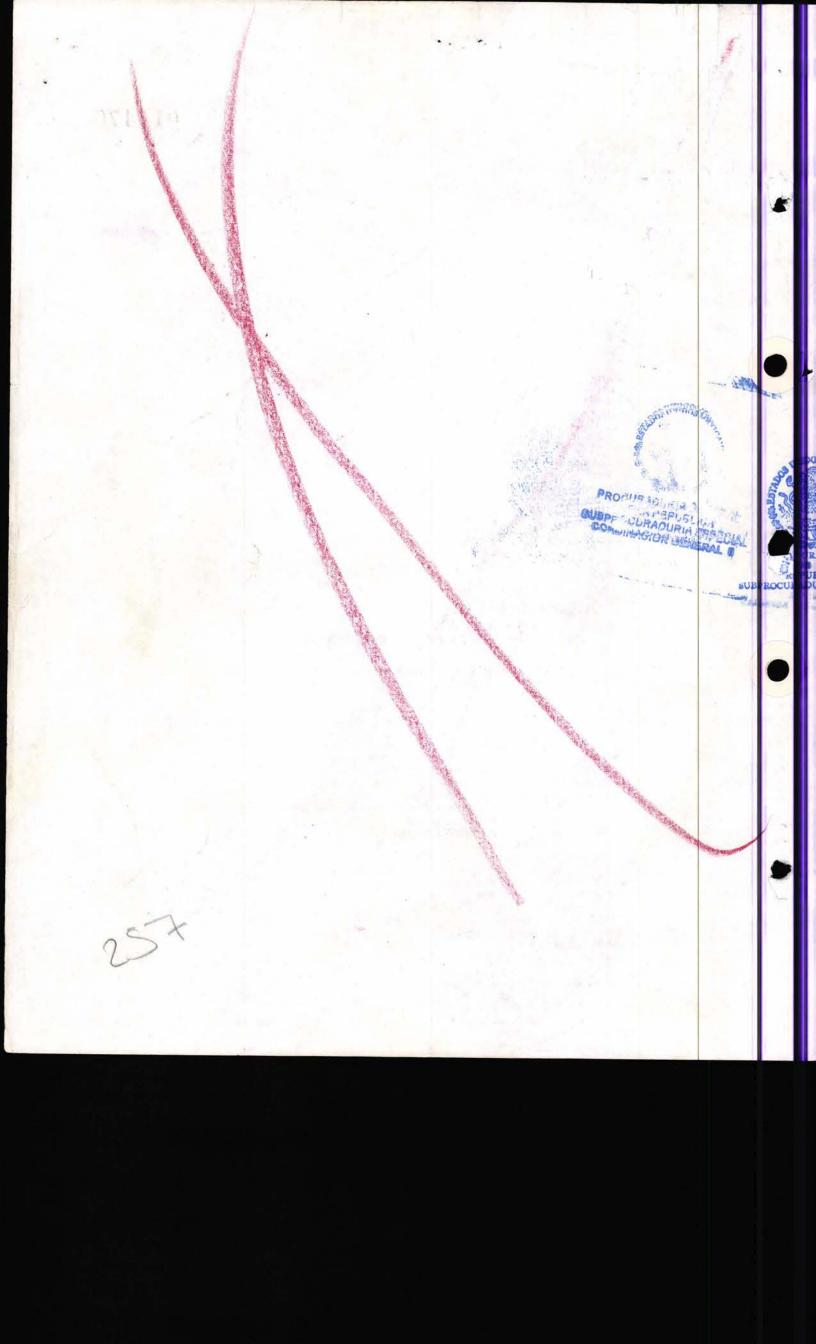

Dijo que se revisaron los nombres de los agentes y mi-litares bajo las órdenes de Domiro García Reyes, Fernando de la Sota y Rodolfo Rivapalacio Tinajero, pero que ese

nombre no está registrado. Según la Procuraduría General de la República (PGR),

Según la Procuraduría General de la República (PGR), Manuel Salvador González fue acribillado junto con su chofer Marco Antonio Trejo, el 18 febrero, pero según el sheriff de Los Angeles, fue el 27 del mismo mes en una localidad cercana a Los Angeles, California.

Ante ello, fue solicitado al delegado de la Procuraduría General de la República en Los Angeles, Juan Miguel Ponce Edmonson, establecar la autenticidad de los documentos.

En las 24 horas siguientes, el funcionario les informó que las identificaciones aran apócrifas. El asunto pareció haber parado alti, pero hor surgió el rumor de que Salvador Gonzále, estaba encargadorde la seguridad personal del ex candidato del RRI, Luis Donaldo Colosio, e incluso fue su artigio.
